

Sun, Feb 7th – Legends of the Llamas Match

Cricket was Fantastic on Sunday Feb 7. Unfortunately the numbers were a little low, and we had just an 8-a-side game ... with one of the teams having 9 (If that makes any sense).

We also welcomed Jools from Trinidad as the official *Cricket Peru* Scorer. A very welcome addition to the *Cricket Peru* family!

In summary, Julian's team (of legends – his claim) looked average while the snail-paced opening pair were around...and then Mike Soulsby came in and after a few fielding assists grew overconfident and hit in the air (actually the 2 sixes previously were also in the air)...but made a quick 50 all the same....they ended up all out for 145

Jorge's Legends then scratched around...Nichols again prominent...and Vishal lethal (until going out)... and the highlight was Peruvian Peter hitting a 4 off one of Tony's few pies....but not enough runs and it was all over bar the shouting. Tim then had his birthday celebration!
